Special Education Program Discussed

Official action on the proposal that the Antioch Township high school district participate in a Lake county-wide special educational program was to be discussed at this week Wednesday evening's monthly board meeting.

If the plan was approved by the high school board of education, it would cost the district \$712 a year to pay for administering the program. This is \$1 for each enrolled student.

Local Pool Opening Set For May 30

The Antioch Aqua Center swimming pool will open Monday, May 30 (Memorial day) from noon till 9 p.m. under supervision of qualified Red Cross trained life guards.

The pool will be open each day thereafter during those hours.

Registration for swimming lessons at the pool will be held June 3 and 4 with classes for all ages, 6 to 60.

Beginners, intermediate, swimmer, advanced swimmer, junior life saving and senior life saving classes are planned.

Games of Croquet, badminton, horseshoes and tether ball also will be available on the grounds.

Free circus tickets will be given with the purchase of a season pass before May 22.

Two children's circus tickets will be awarded with each family pass and one child's circus ticket will go with each individual pass.

Persons wishing additional information are asked to call or write to Mrs. Karen Baird, 1049 Victoria St., or phone Antioch 2200.

Close Contest In Subscription Drive Of News

(See standings on Page 1)

Nancy Barth of Antioch went ahead of last week's first place contestant Stanley Szymanski, Antioch, at the close of Monday evening in the Antioch News-Lake Region News circulation campaign.

In third place was Mrs. Helen Zeien of Channel Lake, followed by Harriet Ballenger of Lake Villa, Joanne Krubaek of Silver Lake, Wis.; Mrs. Roy Swenson and Mrs. Judith Wayda of Bristol, Wis.

Mrs. Wayda is a newcomer to be watched.

The candidates are competing for a first prize of \$500 in cash. No one will be the loser, however, as there will be five other prizes of \$300, \$150, \$50 and \$50—the latter for the most subscriptions sold for the Lake Region News.

Twenty per cent commissions are paid to those who do not win one of the prizes.

Out of town and out of state people who wish to subscribe with any particular candidate during the contest, may mail their subscriptions to the Antioch News office.

The candidate of their choice will be given credit for the subscription.

Rates during the circulation campaign are two years for \$5 and one year for \$3 for the Antioch News.

Earlier the high school board had agreed to the program but later the agreement between the various county school districts and the proposed special program was revised.

The board wanted to study the revised agreement before giving its official okay, members explained.

Some teacher resignations were expected to be read at this week's meeting. It also was possible that principal Albert Dittman would have some recommendations for new instructors ready for consideration.

A planned trip by the Antioch high school senior class on May 27 that would take members on a boat trip as part of the event, was up for approval by the board.

The student council was to ask the group's approval of a sign with letters about eight inches high to be placed on an outside wall of the high school proclaiming it as "Home of the Fighting Sequoias."

The sign would be a gift from the student council to the school. Plans call for it to be installed at the building entrance near the gymnasium.

Dittman said this week that the sprinkler system being installed in the high school building since last fall, was to be completed this week. It still must be inspected by the state fire marshal and the state insurance underwriters.

The system was installed at the request of the state fire marshal's office as were many in the state of Illinois following the fatal fire at a Chicago parochial school over a year ago.

Countryside Hospital Board Sees Blueprint

LAKE VILLA—The builder of the Highland Park Pavilion (hospital), R. Eckerman of Highland, showed blueprints and slides of that 50-bed building at a meeting of the Countryside hospital board Tuesday evening.

Meeting in the Lake Villa school building, the board also heard cost figures for the Highland Park hospital. Eckerman had the contract for that hospital, a joint venture of Highland Park and Highland.

Next meeting of the Countryside board will be held at 7:30 p.m. Tuesday, May 10, at the Lake Villa Grade school.

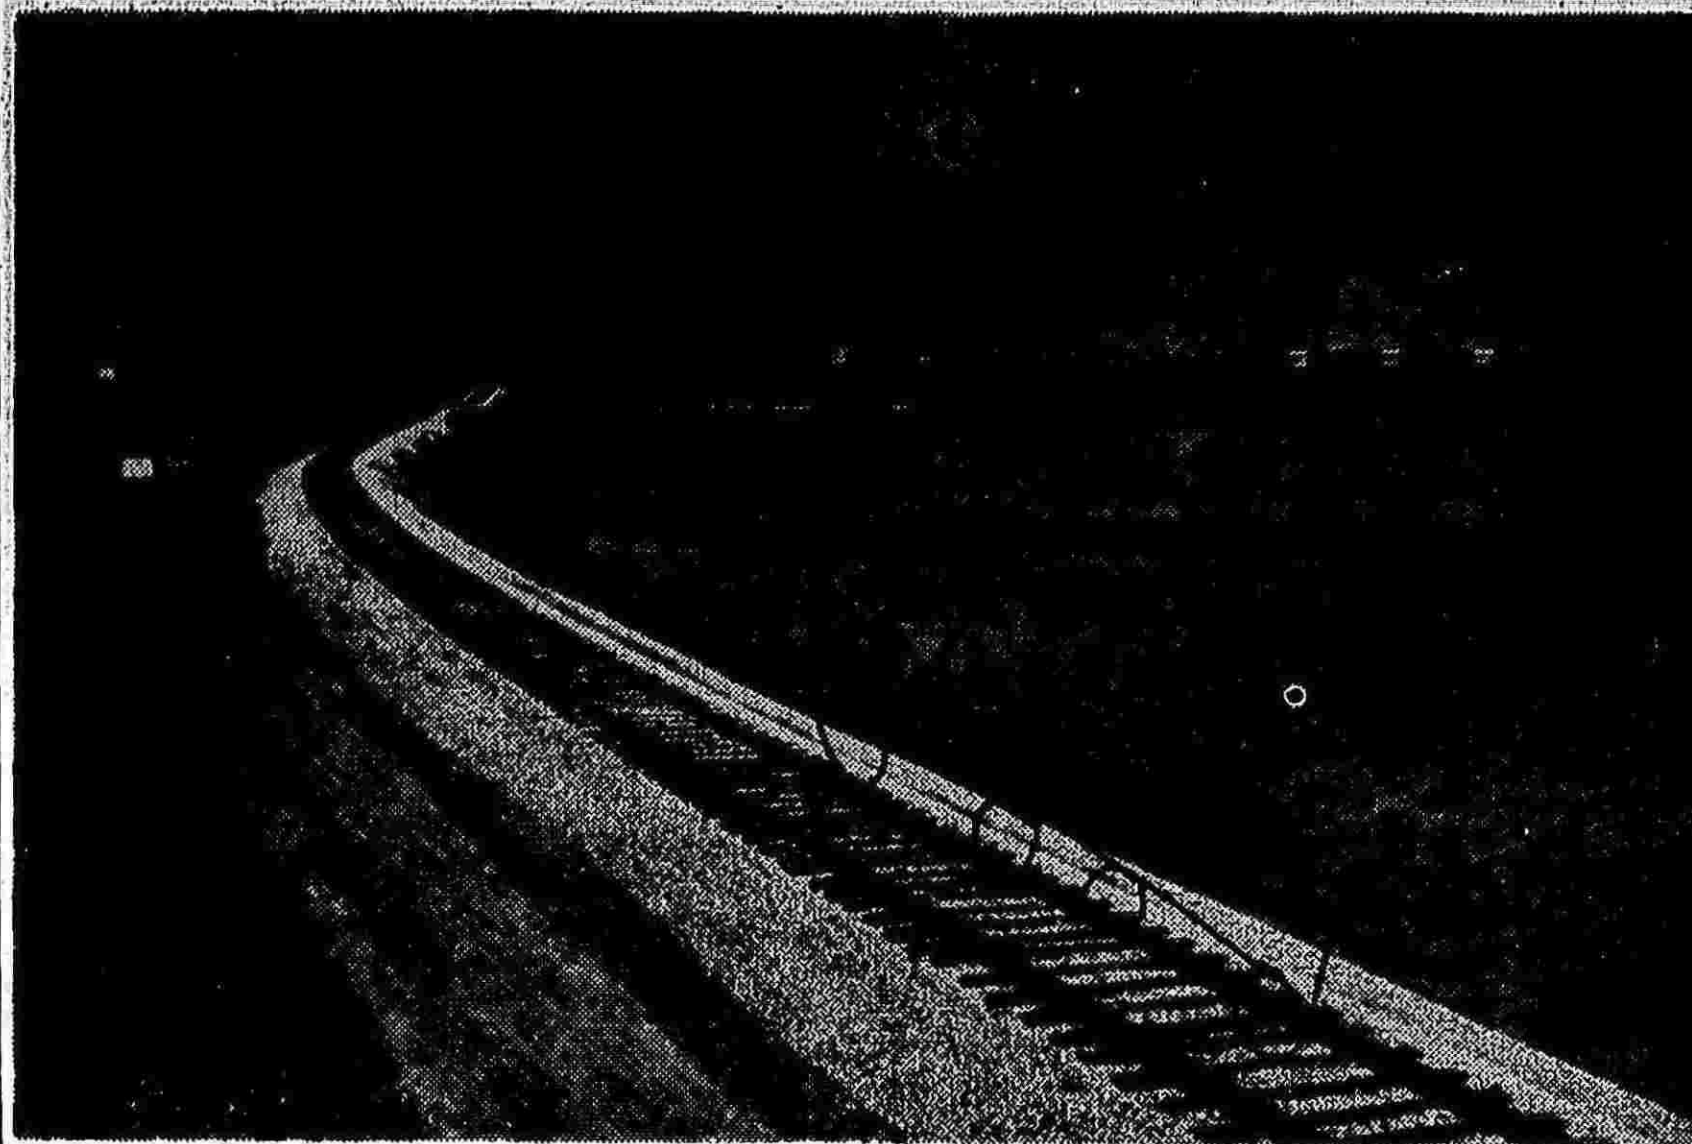

All voting members are asked to attend for nomination of people to fill empty places on the board, including one from Antioch area. Three vacancies are to be filled.

are two years for \$4 and one year for \$3, plus one free classified ad for each year's subscription. The free classified ad is good only during the campaign.

Date for the end of the first period has been changed to May 4, giving candidates more time to work for their desired prizes.

The change was made necessary by bad weather and road conditions.

'Clean Up, Paint Up, Fix Up' Week Opens Here On Mon.

HAVE YOU SEEN THIS VIEW of the abandoned Air Force Base as it looks from the southwest corner of the base where a railroad spur enters? This is at one end of a road that has been constructed from the north entrance of the base near Kenosha, Wis., about southwesterly. Deep in the middle distance can be seen fuel tanks and the heating plant built for the Air Force Base before it was abandoned. Water at the right and center apparently is from high water that hit the region three weeks ago. Part of the road at the southwest end is shown in the left background. (Also see story on page 1).

Turn Clocks Ahead! That Time Is Back

DON'T FORGET to turn your clocks and watches ahead one hour before going to bed Saturday night, April 23.

Daylight saving time goes into effect in Illinois on Sunday, April 24, starting at 2 o'clock that morning.

"Normal" or standard time will return to the clock watchers and watch wearers at 2 a.m. Sunday, Oct. 30.

"Daylight Saving Time" will be in effect throughout the state of Illinois as well as all or parts of 23 other states and the District of Columbia.

Worker Signups Sought By Chamber of Commerce

The Antioch chamber of commerce has been in contact with a firm that is looking for a new location.

In an effort to canvass Antioch and vicinity to determine how many workers are available for such a company, a display ad is being published in the Antioch News classified advertising this week on page 6. Chamber officials are urging qualified personnel to fill out the coupon and to mail it to the address listed on the coupon.

The firm offers a 5-day work week, paid vacations and holidays, hospitalization and retirement benefits.

Paddock Lake Village Plan Given Boost From Judge

dents of this village and the town of Salem were taking a new look at the future this week with the decision handed down by circuit court judge M. Eugene Baker at Kenosha Monday morning.

Judge Baker gave a strong boost toward incorporation of a new village called "Paddock Lake" when he reinstated an order of incorporation signed July 27, 1959.

He also instructed inspectors of a referendum election, appointed earlier, that they have 60 days in which to hold a referendum for incorporation.

Back in July of 1959, six businessmen of the Paddock Lake community attempted to have the 912 resident area made into a village. It has been opposed by the town of Salem on grounds that legal procedures have been faulty.

The petition for incorporating 1,020 acres into Paddock Lake, was signed by Donald L. Klapper, George M. Ilges, Jr., Lester M. Smith, George Lang, Lester Hunter, and Ray M. Paddock, since deceased.

JUDGE BAKER ordered establishment of the village on July 27, 1959, providing the electors of the area approved in a special election to be held within 60 days.

Named as election inspectors were Earl Torrey, Britomarte Cool and Helmut Meyers.

The plan ran into a snag on Sept. 4, 1959 when the Wisconsin state legislature passed a law making sweeping changes in incorporation proceedings. The law affected the Paddock Lake situation because it was made retroactive.

A stay of proceedings was ordered by Judge Baker at the request of attorney J. Clark Stanhope for Paddock Lake businessmen, and over the objections of attorney P. B. Morrissey, Salem town attorney.

In March of this year, the legis-

lature changed the law again, giving validity to earlier proceedings and Judge Baker was asked to reinstate village proceedings.

If the town of Salem does not halt proceedings by appealing, Judge Baker's decision to the Wisconsin supreme court, an election will be held in Paddock Lake within 60 days to determine if incorporation is desired.

If the majority approves, the area will become a village.

Earl Elfers, Salem town chairman, said he will call a meeting of the town board to determine if Judge Baker's decision will be appealed to the state supreme court.

Other board members are Lee Wilson and Neal Kiley.

He restated his position Monday that the town board opposed the village petitioners because the board believes the procedure is faulty.

Elfers and Stanhope believed a good case could be presented to the high court, but was questioned whether an expensive appeal would accomplish much.

Lotus School Building Bids Opened This Week

Bids were to be opened this week Wednesday evening on improvements to the Lotus grade school on the Grass Lake road between Spring Grove and Fox Lake. Bid openings had been postponed from last Friday due to its being Good Friday.

Plans call for six additional classrooms, a gymnasium and extensive repairs to the present structure. A \$150,000 bond issue has been approved by Lotus school district voters to finance the project.

L.V. Residents Hurt In Weekend Accidents

LAKE VILLA—Two Lake Villa area residents were injured last Saturday when their auto flopped end over end off route 176 when the driver lost control of the vehicle on wet pavement.

They were Diane L. Rathke, 30, and Irene G. Rathke, both of route 4.

A car being operated by Margaret J. Martin, 40, of route 1, box 104, Lake Villa, collided with one being operated by Leo Banzella of Chicago at Deerfield and Sounders roads last weekend.

Local Stores Offer Quality, Good Bargains

Antioch merchants and other business men join together starting next Monday in promoting "Clean Up, Paint Up, Fix Up" week for the community.

The week long event will last through next week Saturday as spring makes its "official" appearance with the beginning of warm weather, a bit of rain and even a few snow showers.

Inside the Antioch News this week you will find bargains too numerous to mention in this article in the way of materials to use for cleaning your home or business, fixing up your yard or adding a coat or two of new paint.

Mayor Murrill Cunningham of Antioch and Mrs. Bette Meyer, president of the local chamber of commerce, got into the spirit of things by wielding a broom and paint brush respectively to start off this week.

Village crews went to work in earnest earlier this week in removing debris, sand and the like from the village streets.

One might also say that the rain and wind of Sunday helped cleanse the village from some accumulated grit and grime, even though it rather spoiled some Easter finery parades.

"Clean Up, Paint Up, Fix Up" week is being sponsored by the Antioch chamber of commerce and local business men.

Almost every merchant in the Antioch community is cooperating in the special week.

The Chamber and businessmen suggest would be buyers look over ads carefully and read each one thoroughly.

It will be worth your while.

Jedele, Kopriva Are Re-Elected By School Board

Norman Jedele was re-elected president and Mrs. Helen Kopriva was re-named secretary of the Antioch grade school board of education at its meeting Tuesday evening at the school building.

After an official check of the April 9 school board election tally sheets, El Roy K. Anderson was declared re-elected and Leslie W. Sorensen was declared elected to three year terms.

They were sworn into office by Ernest Westlund, present board member.

Salary for Mrs. Kopriva as board secretary was set at \$100 a year and the third Tuesday of each month at 8 p. m. were chosen as the date and time for board meetings.

Mrs. Kopriva was instructed to write a letter to ex-board member C. L. Wertz in appreciation for his work on the board. He did not run for re-election this year after 12 years.

Martin Maras, 5-year-old son of Mr. and Mrs. Daniel Maras of route 2, residents living outside the Antioch grade school district, will be admitted to the local kindergarten this fall.

They will pay tuition of \$320 for the school year and provide his own transportation.

No action was taken on applications by five would-be grade school teachers for local positions.

It was voted to set up the same rules and regulations regarding use of the Oakland school gym and/or cafeteria as apply to the Antioch facilities.

The board will ask for bids on erecting a fence along the west side of the school grounds.

Mrs. Frances Cardiff's resignation as grade school cafeteria manager effective May 1 was read.

A CLOSE SHAVE for this house on David street near Orchard as a car missed the curve off Orchard into David, Skidded sideways, turned over at least once and ended up with the front bumper within 10 inches of this home occupied by Mr. and Mrs. William Ernst. Antioch police chief Walter Scott said the large car was owned by a Chicago firm and apparently had been stolen. Mrs. Ernst said she heard a bang last Friday night but thought it was thunder. The couple found the car like this when they got up Saturday morning. A neighbor said she saw a flashing red light about 11:15 Friday night and it was thought this might have been the car as it skidded.

Car Just Misses Home After 'Missing' Turn

Antioch police this week were seeking the driver of a car which last Friday night missed a curve on Orchard street at David street, ran through a small field, barely missed going over a bank and landed near a house.

In fact when the vehicle finally stopped after skidding for some feet on its side, the front bumper was but 10 inches from the house.

Mr. and Mrs. William Ernst, occupants of the house, didn't know what had happened until they went out of the house Saturday morning.

Police chief said the car, stolen in Chicago, belonged to a coal firm there. He said the auto had been stolen.

Mrs. Ernst said she heard a bang Friday night but thought it might be thunder. A neighbor said she saw a moving red light about 11:15 p. m.

DEAR READER News Editorials

Everybody Gets Into the Act

Spring seems to be with us once again—even though it was snowing some of the time Sunday—and it certainly did rain the rest of the time.

But the businessmen and merchants of Antioch through their Chamber of Commerce have decided next week there will be no question that spring has arrived in this part of the country.

For the week of April 23 to 30 has been set aside by them and through a proclamation by Mayor Murrill Cunningham as "Paint-Up, Clean-Up, and Fix-Up" week, something every housewife does at least once a year on a housewide basis. And that time usually is in the spring.

Many local merchants have put on special sales for the big event.

The village this week inaugurated its spring street cleaning program for 1960.

Housewives have cornered their husbands and small fry to lend a hand with carrying out old papers, boxes, trash and the like, not to mention a few strokes of the paint brush or the rake and hoe. A neater and cleaner town will be the result.

The more of us who lend a hand at home, at the place of business or in the yard will make Antioch and vicinity a better place in which to live.

Some years ago there was a girls' group in a New England town that was known as the Lend a Hand Society and its motto comes to mind now:

"Look Up and Not Down, Look Out and Not In, Look Forward and Not Back—and Lend a Hand."

CAMP LAKE was one of the few communities in rural Kenosha county and in the general Antioch area that had Easter egg hunts last weekend. This one sponsored by businessmen of the Camp Lake community attracted more than 100 children to the grounds of the old hotel. Shown here are two children looking for eggs near a tree on which a sign advertising the event had been placed. Many adults also attended the hunt that covered the entire area near the hotel. Elected were Arthur C. Anderson, governor; Ronnie Polson, junior governor; Robert Calloway, prelate; Ray Stickler, treasurer; Michael Tullumello, trustee.

Appointed to office by Anderson were Edward J. Kouba, sergeant-at-arms; Victor Lubkeman, assistant

sergeant-at-arms; Homer Toft, outer guard; Ed Zierbe, inner guard. Others to be seated April 30 are Robert Avery, past governor; Albert Erickson and Ralph Antes, holdover trustees.

DEAR EDITOR Your Letters

Antioch News, Antioch, Illinois.
Dear Editor:
Your editorial in last week's Antioch News raises several questions aside from whether such a building should contain the village and town offices and the township library.

First of all is the major question of whether such a building is needed. With the cost of government going up in all departments, wouldn't it be better to keep these offices and the library where they are now?

We are going to have to pay for new schools or additions to schools in the near future in and near Antioch. Some people, for instance, say we need a new high school building. Others think we should have a junior high school.

Us taxpayers will have to foot the bill, whatever is done. And taxes

are going up all the time. Wouldn't it be better to keep the offices where they are? The village hall is well situated right in the center of town. The library building never has many people in it so it shouldn't need enlarging.

The town offices are all centrally located and aren't hard to find. So why spend more of us taxpayer's money for another building?

Don't forget all this road work that's got to be done this summer on town, village, county and state roads, too. That will cost a pile of money.

OUR
DEAL!!!!

A pair of Corvairs recently recorded 27.03 and 26.21 miles per gallon in the 2,061.4-mile Mobilgas Economy Run. That's certified proof that Corvair skimps on gas costs. It saves other ways, too. Corvair is the only U. S. compact car that never needs antifreeze or costly radiator repairs. Come in and drive the compact car that outdoes them all.

Things Corvair gives you that America's other compact cars can't:

Practically flat floor . . . real foot room for the man in the middle. Fold-down rear seat gives 17.6 cu. ft. of extra storage space. Four-wheel independent suspension for a smoother, flatter ride.

Rear-engine traction . . . that comes with the engine's weight bearing down on the rear wheels.

You probably realize already that the mileage figures Corvairs recorded in the Mobil-

gas Run are higher than the average driver can expect. But because the cars met every kind of driving condition—rugged mountain grades, long country straightaways, congested city traffic—those mileage figures prove Corvair's inherent ability to save. LINDENHURST SHOPPING CENTER construction was well underway at the site on Grand Avenue near the Shell Service station when this picture was snapped late last week. Here a truck is about to unload cement for the foundations. The deep clinging mud in the area made it necessary for a tractor to help the truck "navigate" into position. This photograph is looking east from the direction of the service station with Grand Avenue off to the right. Workmen shown at right are awaiting the stationing of the cement truck.

BOWLING

BI-STATE LEAGUE THURSDAY, APRIL 14

Frank Heiselman grabbed solo honors this week with a towering 628 and sparked John Gaa and Son team to a triple win over Vos Construction. The Gaas had top team trio and team game 2836-1006. Chuck Moran and Bob Kraft helped Frank with 586 and 581 respectively.

MAN-MADE FABRICS that last longer, look better and clean more easily will play an increasing role in the life of Mrs. America during the Sixties, according to advance reports. Vinyl fabrics in particular are being singled out by decorators, designers and manufacturers because of their versatility and strong performance under the rugged conditions of every-day living.

Manufacturers, always busy to find new uses for their fabrics, are devoting long laboratory hours to the perfection of new and richer kinds of vinyl. The Landers Corporation of Toledo, Ohio, for example, has just introduced a new vinyl upholstery fabric called "Ventilan" that breathes. Air porosity tests have proven that this fabric allows air passage equally over the surface. Heat is dissipated, and there is no accumulation of perspiration.

Fabrics such as Landers' "Ventilan" will find a wide acceptance in the home this year because Mrs. America is on the alert for easier and smarter ways of living. Not the complicated way, but the simple way, with the accent on time left over for cultivated leisure is the keynote to homemaking today.

These fabrics are particularly appropriate in areas where children are about. Here the soil-resistance, easy cleanliness and long wearing qualities of vinyl really pay off. The outdoors too where waterproofness is such an important feature provides an ideal use for vinyl.

"WE'RE READY!" might have been the cry here as children from Camp Lake and vicinity awaited the Easter egg hunt on the grounds of the hotel in that community last Saturday morning. Businessmen of the community sponsored the event that attracted more than 100 children and many adults. Most of the children held bags in which the eggs were placed. Every child attending was a winner as each egg had a sum of money marked on it. Seventy dollars in cash was passed out before the morning was over. (Lake Region News photo)

Easter Bonnets, Bunnies, Flowers Take Over At Woman's Club Meet

Easter was in evidence everywhere at the Monday, April 18, meeting of the Antioch Woman's club at the Scout house—from the large Easter bunny on the speaker's table, the yellow daffodils on the piano and the spring flowers and Easter eggs on the refreshment table to the Easter bonnets on the members and guests.

Mrs. William Brook opened the meeting with the pledge of allegiance.

After the reading of the minutes of the last meeting by Mrs. Norman Jedele, Mrs. Brook asked the chairman for the Salvation Army Doughnut tag day on June 10, a project of the Woman's club.

Mrs. Ann Kopriva and Mrs. Clarence Olson responded to Mrs. Brook's plea and will be co-chairmen.

Mrs. Brook announced that the Woman's club again would sponsor a benefit dessert luncheon and card party for the Antioch swimming pool to be held June 18, at St. Peter's church hall.

The Community Service Corp. of the Antioch Lions club will be final recipient of the cash netted by the benefit.

Mrs. Fred May and Mrs. William Meyer have charge of tickets; Mrs. Ted Larson, prizes; Mrs. Ray Bruhn and Mrs. W. C. Petty, cake and coffee, and Mrs. Irving Elms, cards.

Mrs. Brook will have a board meeting at her home at 10 a.m. Monday, June 13, to make final arrangements for the party.

Mrs. O. W. Turner, chairman of the nominating committee, reported on selection of officers and board chairmen for the 1960-61 club year, election to be held at the annual luncheon in May.

Mrs. Ted Larson introduced Dorothy Christman of Lake Zurich, who has made over 1000 appearances, attended Northwestern School of Speech, Chicago School of Dramatics and was a member of the Uptown Players.

In "Laugh With Dorothy" she is a portrayal of awkward situations. She entertained club members with "Club Woman at a Meeting"; "Mother Taking Her Youngster to School for the First Time"; "Kindergarten—Day Preceding Graduation"; "Young Lady Getting Ready for Dance Many Years Ago" and a repeat performance of "False Teeth."

Mrs. Edmund Vos and her hostess committee served refreshments.

Class Of 1938 Reunion Reservations Due Now

Secretary of the Antioch Township high school class of 1938 this week reminded members who have not done so already to make reservations for the class reunion immediately.

The event will be held Saturday evening, April 30, at Joe & Helen's Little Acres on Loon lake. Dinner will be served starting at 6:30 p. m. Mail reservations are to be sent to Virginia (Wells) Magiera of route 2, box 148, Antioch.

"The committee in charge of the 1938 class reunion has worked hard," Mrs. Magiera said this week, "and it is counting on every class member to attend April 30."

Mrs. Emma Roblin of 1015 Osmond avenue returned to her home following several days at a Waukegan hospital for treatment.

Lake Villa-Hooper PTA To Elect Next Monday

LAKE VILLA—The combined P. T. A. meeting of the Lake Villa-B. J. Hooper schools will take place at the Lake Villa school, at 8 p.m. April 25. Robert McLelland is president.

Election of officers for 1960-61 will take place at this session. Members of the nominating committee are Harold Newyear of Venetian Village, Mrs. Georgia Matthies of Lindenhurst and Mrs. Marie Variton of Venetian Village.

Jerry Chlebowsky, seventh grade teacher, will present awards to the students who were in the recent science fair at Lake Villa school.

Mothers of second grade students will be hostesses.

Gwenn C. Royer Engagement Told

Frank S. Royer of Channel Lake this week announced the engagement of his daughter, Gwenn Christine, to Dale Garland, son of Mr. and Mrs. Harry Garland of Island Lake.

Miss Royer, a Delta Zeta sorority member, now attending Bowling Green State university at Bowling Green, Ohio, is a graduate of Antioch Township high school.

Mr. Garland, who is a graduate of Wauconda high school, is a member of Pi Kappa Phi fraternity at the University of Tampa in Florida.

The couple plan to finish their schooling.

GWENN C. ROYER

Girls Learn Knitting

LINDENHURST—The Lindenhurst Daisies senior group is busy learning to knit. At the April meeting the girls all demonstrated what they have learned, such as the cast, garter, pearl, ribbon and binding stitch.

Mrs. Leona Amore of Grand avenue is teaching the young ladies how to knit. The girls are Carolyn Westberg, Pat Lobrillo, Barbara Warchol, Loren Lee Lewis and Alice Bechol.

RECORDING STAR Merri Gail (shown here) will appear in person at the spring dance of the St. Peter's CYO this week, Friday evening in St. Peter's hall. Dancing will start at 8 o'clock and last until midnight. Everyone interested in attending will be welcome. Miss Gail is famous for her singing of the popular song, "Unchained Melody".

'Spring Flowers, Talk Scheduled By Garden Club

The Antioch Garden club will meet Monday, April 25, at the home of Mrs. H. W. Frizzell, with Mrs. Norvin Stoffel co-hostessing with Mrs. Frizzell.

This session will be held earlier than usual, at 12 noon, as there will be the installation of officers before the program.

Mrs. George Martin of Cary, Ill., will talk on "Our Spring Wild Flowers."

At 9 a.m. Wednesday, April 20, there was a workshop for members wanting to participate in arranging flowers, at the home of Mrs. John Wagner.

Thursday, at 10 a.m. is the board meeting, at the home of Mrs. Dudley Kennedy on Lake street.

In the afternoon the flower show committee will meet, also at Mrs. Kennedy's, to determine the time and place of the annual show.

Birth Announcements

Recent births at the Zion Community hospital have included a son to Mr. and Mrs. Charles Rigby of route 1, Trevor, Wis.

Recent births at Waukegan hospitals have included a daughter to Mr. and Mrs. Russell Bethley of Lake Villa; a son to Mr. and Mrs. Richard Huml of Antioch; a son to Mr. and Mrs. Harold Gnoske of Lake Villa; a daughter to Mr. and Mrs. Jerry Smith of Antioch; a son to Mr. and Mrs. Paul Cappitelli of Lake Villa; a son to Mr. and Mrs. Mowen of Antioch.

Recent births at Kenosha hospitals have included a daughter, Rosemary Jean, to Mr. and Mrs. James Lang (Patricia Zens) of route 1, box 235, Salem; a son, James Francis, to Mr. and Mrs. Richard Krieger (Beverly Lien) of Salem.

Club Nominates Officers Monday

By Mrs. Bernice Bernau

LINDENHURST—The Lindenhurst Garden club will hold its regular monthly meeting at 8 p.m. Monday, April 25, at the home of Mrs. Sam Lobrillo on Countryside lane. Mrs. Donald Ringsteyer is president.

Nomination of officers will take place.

The annual rummage sale will be held in June this year, to save your winter discards and summer clothes and donate them to the club.

House plants that are to be entered in the garden club show must be in the owner's possession for at least three months to be eligible. The show will be held August 14. It will be open to everyone, not only members, so growers should decide now what to enter and get busy caring for it.

Mrs. Ella Lutz of Chicago spent Easter at the Herbert Messner home.

County TB Association Dinner Scheduled Soon

A Chicago surgeon will tell "What Your Seal Sale Dollar Is Doing" at the annual dinner meeting of the Lake County Tuberculosis association.

He is Dr. William M. Lees, associate clinical professor in surgery, Mercy hospital in Chicago; and clinical associate professor in surgery at the Stritch School of Medicine, Loyola university, Chicago.

Charles J. Cermak, Jr., of Antioch, board member, said that officers and new board members will be elected. Mrs. John H. Kies will give the annual seal sale report.

The public is invited to attend. Anyone interested is to contact the association office, 813 Washington street, Waukegan, not later than April 22 for reservations.

Grass Lake PTA Meet

The regular monthly meeting of the Grass Lake school PTA will be held Monday, April 25, in the school building at 8 p.m.

There will be an election of officers and a family style show. Parents of second grade students will serve refreshments.

Skating Party Enjoyed By Girl Scout Troop 31

Girl Scout troop 31 of Antioch went on a skating party at Rollin's Wheel roller rink in Twin Lakes last Thursday at the invitation of the Boy Scout troop 92. The girls thanked the boys and leader James Horton for the good time all had.

Last week Wednesday troop 31 had its meeting at which time members made 100 nut cups for the Lake county hospital. The cups represented Easter and were in the form of an Easter bonnet.

These were delivered to the hospital last Friday.

A court of honor was held by troop 31 in the scout house on April 2 when activities of the next two months were discussed.

Farmers Approve Plan To Join Soil District

MILLBURN—About 25 farmers from the Antioch and Newport Townships approved a plan to add these townships to the Lake county soil conservation district at a meeting Monday afternoon.

More than 130 farmers in the two townships had signed a petition card asking a hearing held at the Millburn Congregational church, Ray Nicholas, Lake county farm adviser, said.

No tax or other levy is assessed on farmers in a soil conservation district, Nicholas said.

Several farmers spoke in favor of the proposal Monday. No one spoke in opposition. The matter now goes to the Illinois department of agriculture for further action.

Cancer Fund Campaign In Antioch Under Quota

The Cancer Crusade of the Lake County chapter of the American Cancer society has reached 87 per cent of its goal for 1960 of \$43,592.

Collections to date amount to \$38,105. Last year at this half-way mark 40 per cent of the goal had been reached.

Antioch, whose quota for this year's crusade is \$400, has collected \$39, or 10 per cent of its goal. Jacques Koppen of the First National Bank of Antioch is the crusade chairman for Antioch.

Cub Scout Pack Meeting Scheduled Next Tuesday

Cub Scout Pack 300 will hold its monthly pack meeting Tuesday, April 26, at 7:30 p.m. Daylight Saving Time in St. Peter's church hall, Antioch.

Handicraft displays, a skit on the theme-of-the-month and other plans have been made for the evening.

In addition to the Cub Scouts and their parents, anyone interested in Cub Scouting will be welcome.

Nature Tour Planned

BRISTOL, Wis.—There will be a 4-H nature conservation tour at 1 p.m. Saturday, April 23, at the conservation club grounds near Bristol.

This meeting is to acquaint 4-H members and leaders with the resource mapping and soils section of the nature conservation project.

Future project meetings have been set for May 21 and June 4, at which time tours will emphasize birds, wildlife, shrubs, and insects.

LINDEN LANE out in the Channel Lake district didn't look much different late last week than this scene early in the recent flood did. About the only thing missing last weekend was the signs of ice and snow. Water was receding here and was off the road (Linden Lane) out of the picture to the right, but there still was water surrounding many of the cottages. A small part of Channel Lake is in the background. (Antioch News photo)

Mike Fidanzo Family Entertains On Easter At Lindenhurst Home

By Mrs. Bernice Bernau
Phone ELliot 6-5649

LINDENHURST—Mr. and Mrs. Mike Fidanzo of Hazelwood drive, and their two daughters, Vita and Mickey, held a family reunion party at their home last Easter Sunday.

It wasn't a very nice day to have 27 people in the house, but they didn't mind. They were so glad to see each other.

They are relatives on Mike's side of the family. Each family brought something to eat such as canned ham, smoked ham, etc., then they shared the expense of the food and drinks.

Members of the clan are Mr. and Mrs. Kelly De'legia, Mr. and Mrs. Angelo Desalvo, and Suzette, Mr. and Mrs. Bill Runyon and Billy Jake, Mr. and Mrs. Frank LaPorte and Jimmy and Susan, Mr. and Mrs. Bob Rea and Bobby, Jr., all of Chicago.

From Roselle, were Mr. and Mrs. Lloyd Cull and Patricia and Kenneth, Mr. and Mrs. Guido Azzarello, Carol and Kathy, reside in Hillside.

Mr. and Mrs. Mike Fidanzo of Hazelwood drive announce they are going to have a wedding performed in their home April 30. Justice of the peace Ray Caldwell of Old Elm road will perform the ceremony as he previously did.

Two years ago at a surprise party

given on the Fidanzo's, Mrs. Fidanzo jokingly said to Ray, "Here's two couples that we'll have to get married off some day. Could you perform the ceremony?"

Ray assured them he could, so Feb. 21 he married Mrs. Lillian Smith to Jerry Naponelli, both of Chicago.

And now he is going to join Miss Camille Valerio and Herb Flach, also of Chicago. The ladies are Viv's best friends. Viv attended a

bridal shower for Miss Valerio in Chicago April 14.

Jackie Heick, 10, of Fairfield drive had to spend the Easter holidays in Highland Park hospital. Jackie was operated on April 14 for a ruptured appendix.

He is the son of John and Pauline Heick. They brought him his Easter basket and Girl and Boy Scouts visited him Sunday afternoon.

Jackie is anxious to get home and ride his new bicycle. He is expected home this weekend.

Ted Plovviez of White Oak Drive spent the weekend of April 8 to 11 fishing with three of his fellow-workers from Johnson Motors in Waukegan.

GOOD YEAR

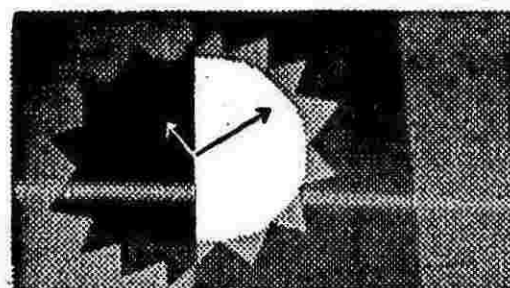

No Waiting...

GAS is AVAILABLE NOW

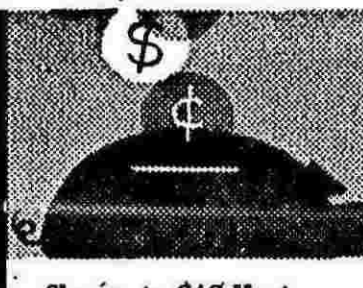

for Home Heating and Air Conditioning

Good news! Increased supplies of natural Gas now make it possible for any single-family home in the area served by Northern Illinois Gas Company to have Gas for heating and air conditioning. Simply apply at our nearest office—your Gas heat permit will be given immediately. Now is the time to start saving (and to keep on saving year after year) with wonderful, money-saving Gas heat. Plan, too, to enjoy cool, whole-house summer comfort—just as economically—with Gas air conditioning.

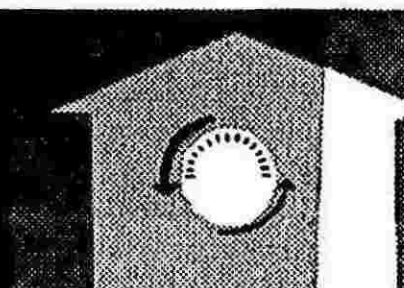

Change to GAS Heat is simple

Installation of a permanent Gas heat conversion unit takes less than a day, from start to finish. A brand new furnace, compact and good looking, also can be installed with minimum disruption of everyday household activities.

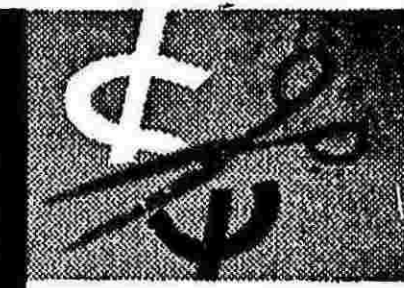

Change to GAS Heat is inexpensive

Regardless of what kind of heating system you now have, you'll find Gas heat economy soon repays the nominal cost of switching to Gas...and you keep on saving all the years you enjoy it.

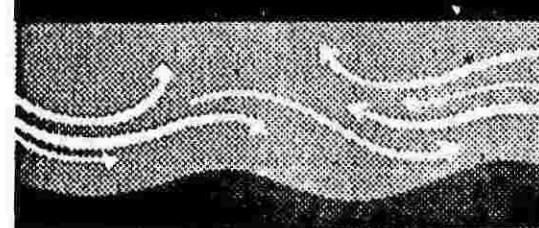

GAS Heat is fully automatic

Just set the thermostat and forget it. You'll enjoy cozy comfort all through the house all winter long, and during those hard-to-heat, change-of-season periods, too! No more shoveling—no delivery worries—no fuel storage problems.

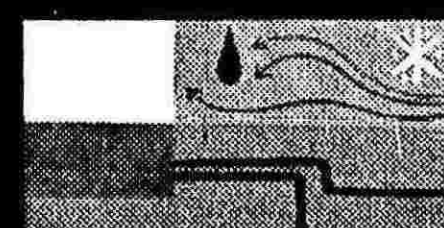

GAS Heat cuts costs

Because it is so economical, Gas heat will virtually put money in your pocket every month you use it, year after year. Long-life Gas burner units, simple in design and operation, keep maintenance costs down, too.

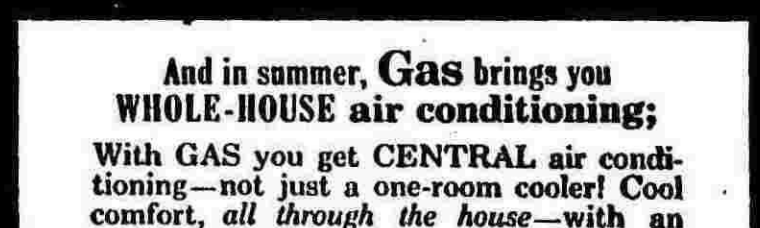

GAS Heat means finest comfort

Gas heat supplies a cozy warmth. Fresh warm air is gently circulated all through the house—no layering, or stratification of heat between floor and ceiling. On return to the furnace, the air is filtered, refreshed. Added to this is the benefit of humidity control, essential to true comfort.

GAS is dependable

Natural Gas is always ready to serve you—automatically. Piped into your home underground, it is unaffected by ice, wind or storms. No tanks or bins to keep full—no deliveries to worry about. Gas heat units are designed for years of trouble-free, heating.

And in summer, Gas brings you WHOLE-HOUSE air conditioning;

With GAS you get CENTRAL air conditioning—not just a one-room cooler! Cool comfort, all through the house—with an "add-on" unit for your present furnace, or a single unit that both heats and cools. You'll reap daily dividends of a cleaner, quieter home...reduced cleaning bills...improved health conditions...increased property value.

And, as with Gas heat, you'll benefit from operating economies that place this luxurious comfort well within the means of any family to enjoy.

Mail the coupon below and learn more about this wonderful boon to modern living:

Camp Lake Lady Hurt In Two Car Accident

CAMP LAKE, Wis.—Highway 50 and the KD tracks was the scene of an accident last Saturday evening in which Isabel Hild, 49, of box 65, Camp Lake, suffered a bump on the head.

She was a passenger in a car being driven by William S. Hild, 46, who said he stopped behind a line of cars waiting for a train to pass. His vehicle and one being driven by Walter B. Stein, 33, of Kenosha, collided.

Stein was booked for not having his vehicle under control.

Spring Vacation Ends For Antioch Children

Boys and girls of Antioch grade and high school returned to classes this week Tuesday morning after their spring vacation, cut short to make up time lost during the winter due to blizzards.

The children were out of school from last week Thursday afternoon through Good Friday and the Easter weekend.

This week children attending the local parochial grade school are having a vacation for several days while their instructors attend meetings.

Lions Club to Hear Explorer and Hunter

Ned Payne, who has spent a decade of exploring and hunting with gun and camera, in unusual parts of the world, will speak to a meeting of the Antioch Lions club Monday evening, April 23, at Nielsen's Restaurant.

Dinner will be served starting about 7:15.

Payne has compiled a color film showing adventure which is "highly instructive, dramatic and unique—experiences almost impossible to film," a brochure about him relates.

"Many years of filming and careful editing, plus a personalized narration, making these exciting movies from the frozen Arctic to darkest Africa, a never to be forgotten experience," it went on to say.

Pictures will include scenes in such places as Manitoba, Canada; Mitchell, So. Dakota; Jackson Hole, Wyo; Alaska, Peru, Brazil, and Nairobi of South Africa.

Antioch High Okayed

Antioch Township high school has been approved by the North Central Association of Colleges for the 26th year, Dr. Lowell Fisher, Illinois state chairman, announced this week.

Annual convention of the association was held in Chicago on Friday, April 2, when ATHS and other schools were so approved.

Bake Sale April 30

The Antioch Township high school PTA will hold a bake sale in the showroom of Lyons-Ryan Ford sales on Saturday, April 30, starting about 9 a.m.

All kinds of home baked goods will be available for sale.

Wilmot Church 'Nickel Lunch' Planned May 5

WILMOT, Wis.—WCS of the Wilmot Methodist church will hold a "nickel luncheon" at 1 p.m. Thursday, May 5, in the Wilmot church building with each member scheduled to fix her own specialty.
A spoonful of each of these specialties may be purchased for a nickel.

After the "taster" has sampled the dishes appealing to her or him, the recipes for them may be bought.

A "flower calendar" has been started by the Wilmot church so that those wishing to provide flowers for the altar may do so with more ease as to what dates are not covered.

The calendar is in the entryway of the church where people may sign up for Sunday(s) in which they may wish to provide altar flowers. They are asked to note if it is for a special occasion or in memory of someone.

Wilmot MYF members will join those from the Salem church in a swim party on Friday, April 22. Sandra Rasch at UNDERhill 2-2890 is in charge of reservations.

Wilmot will be host for a meeting of the Salem and Wilmot Methodist Youth Fellowship groups at 7:30 p.m. Sunday, April 24.

Fatigue is an enemy of driving safety. If you feel sleepy or tired when driving, stop for refreshments or pull off to the side of the road and rest.

Sequoits Topple Grant Hi Bulldogs For First League Baseball Victory

Antioch high's Sequoit baseball team posted its first conference victory of the 1960 season Tuesday afternoon by overwhelming Grant high's Bulldogs 10 to 1 on the local field.

Friday of this week the local diamond crew will play Round Lake on the Antioch field starting at 4:15 p.m. in a Northwest Suburban conference league contest. Next Tuesday the youths meet Warren here and on Wednesday, Wauconda here.

The Wauconda game was postponed from last week Thursday due to wet grounds.

Pyles on the mound for Antioch against Grant allowed 2 hits, while he and his teammates pounded out seven, including triples by Pyles and by Stepien.

The local righthander walked three and struck out four. Antioch made 6 earned runs and the Bulldogs none.

Gudgeon was the big stick in the local lineup with two, four, four all singles. Eberman with Stepien each with two runs batted in led in that department.

Gudgeon, Hogan and Pleviak each stole one base and Schuyt was credited with two for the Sequoits.

Falcon Putters To Open Season Against Wilmot

PADDOCK LAKE, Wis.—Salem central high school opens its golf season Thursday, April 21, with a dual match at Wilmot.

It will mark the first time the C. H. S. golfers have teed off against the Wilmot Panthers.

It is the first of 14 matches on Coach Dorm Grams' varsity schedule.

The C. H. S. golfers won only three of 12 matches last spring but should improve that mark this year. They lost no one by graduation.

The Falcons have four returning lettermen. They are senior Ken Parker, junior LeRoy Leach, and sophomores Bruce Bojeson and Bill Couch.

The team captain is two year letterman Leach.

Following is a complete list of Varsity candidates: Seniors—Ken Parker, Gary Dix; Juniors—LeRoy Leach, Tom Birkeland, Frank Schauer.

Also sophomores Bruce Bojeson, Bill Couch, Vince Klemko, Robert Nelson, Don Dirkin, Bruce Dix, Don DeBell, George Vlahakis and Larry Blaney.

Freshmen—Gary French, Mike Bloss, Don Schaeffer, Howard Gabel, Tom Caci, Dick Niekamp.

The schedule for this week and next:

- Thursday, April 21, at Wilmot.
- *Friday, April 22, at Waterford
- Monday, April 25, St. Mary's, at Salem
- *Wednesday, April 27—Walworth, at Salem
- *Friday, April 29, Clinton at Salem
- *Conference.

Two Grant High Alumni Honored

INGLESIDE—Two former Grant High school students, now attending the University of Illinois, will be given special honors at an honors day convocation at the University on April 29.

Robert Schaefer, a 1951 Grant graduate will receive University Honors. This is awarded to students whose scholastic records rank them in the top three per cent of their classes during their junior and senior years.

In some instances to other students who meet special regulations set by the university senate.

Each year the names of students receiving University Honors are inscribed on a bronze plaque which is permanently mounted in the south corridor of the University Library.

Grade School Track Meet Scheduled Here on May 11

Third annual invitational track meet for grade school boys sponsored by Antioch-Lake Villa high school will be held Wednesday, May 11, starting at 4:15 p.m. and ending about 6 p.m.

Invited to attend are Antioch grade school, Emmons, Grass Lake, Prince of Peace, Channel Lake, Alendale, Oakland, Millburn, St. Peter's, Lake Villa, Newport and Hickory.

Five boys per school may enter each event, but no boy is limited to the number of events he wishes to enter. Any school can enter one or two relay teams per relay event.

There will be no team recognition victory as this meet is for individual recognition only, track coach Robert Walther of Antioch high said.

Any boy or group of boys may use

the Antioch high athletic field for practice on April 21, and 27, May 4 and May 10. The facilities also may be used on Saturdays.

Field events will be run at the same time as the running events. Each race will be timed as will each boy. The fastest time of each boy in all heats will determine the best five boys and ribbons.

Antioch and vicinity winners last year included:

350 yard run—Carey (Antioch) and Franks (Antioch), both 7th graders; 100 yard dash—Fitch (Grass Lake), 8th grader; pole vault—Carey (Antioch) 7th grader; football throw—Peterson (Grass Lake), 7th grader, and Fowlers (Grass Lake), 8th graders; 6th grade shuttle relay—Smith, Edwards and Franks (Antioch).

Local Track Team Takes Two in Row

Antioch high's track team captured its second triangular track meet in a row with a victory over Ela-Vernon and Grant high schools on the local field last Wednesday afternoon.

Earlier the Sequoits had knocked over Wauconda and Round Lake.

Antioch was scheduled to meet Round Lake and Lake Forest high schools in a triangular meet this week Thursday afternoon at Lake Forest.

Last week the Sequoit frosh-soph team also took its second triangular meet in a row this season with 89½ points to 32 for Grant and 7½ for Ela-Vernon. Sequoit varsity had 68½ points, Grant 46 and Ela-Vernon 33.

Antioch High varsity winners included:

100—Truelsen first; Eggleston, tied for third. Time 1:15; 220—Eggleston, second; Sterbenz, fourth; 440—Prosise, fourth; 880—Radakovic, third; mile—Loeche, first; Hribar, third. Time 5:04.9.

Low hurdles—Alshouse, first; Eggleston, tied for third. Time—24.2; high hurdles—Alshouse, fourth; broad jump—Keisler, second; shot put—Merryman, first; Rosquist, fourth. Distance 42'-10".

Discus—Rosquist, first; Merryman, second; Sterbenz fourth. Distance—134 ft.; pole vault—Alshouse, first; White, second; Weber tied for third. Height—9 ft.; 880 relay, Antioch first. Time—1:42.8.

Mile relay—Antioch, second.

FROSH-SOPH RESULTS

100—Hart, first; Fitch, second; Richter, third. Time 11.4s; 220—Hart, first; Richter, second; Andrews, third. Time 25.2; 440—Doyle, first; White, fourth. Time—58.4s. 880—Andrews, first; White, second. Time 2:21.

Pole vault—White, first; Barnstable, second. Height 8 ft.; high jump—four way tie for third, including 2 from Antioch; 440 relay—Antioch, first. Time 50.2s.

Trophy on Display

The trophy won by the Antioch Scouts basketball team as champions of the Land-O-Lakes league was placed in the window of the Antioch News office on Main street, Antioch, Tuesday afternoon.

The local semi-pro cagers rung up an enviable record for the 1959-60 season that closed with a March of Dimes benefit game in the local gym.

Traffic control begins behind the wheel of your car. The discourteous driver who tries to get away with something in traffic too often succeeds only in hurting himself and innocent victims.

Schaefer is in his senior year at the university.

Kenneth Thompson, a 1959 graduate, in his freshman year at the University, will receive Class-Honors. This honor is awarded to all students in the top ten per cent of their classes.

Families and friends who are not able to attend the program may hear a broadcast of the ceremonies on the university radio station WILL (580 kilocycles).

Bowling Tourney To Open Sunday

Action in the Antioch News men's bowling tournament will get under way at the Antioch Bowl at 1 p.m. Sunday with the first round of competition. A full quota of 128 persons have registered.

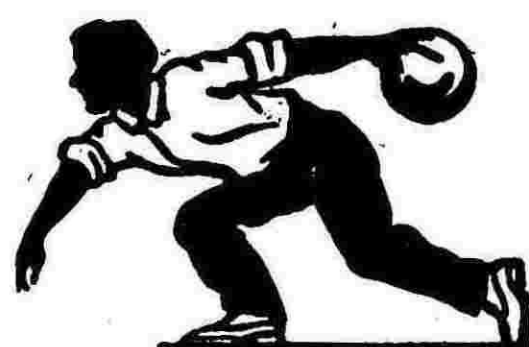

Drawings for places were made this past Sunday for the playoffs that will last as long as there is someone still in the running.

The 128 entries assure the tournament would be run off. Last Wednesday 120 had registered, not enough for the competition to make good.

It will be up to the men paired against each other to agree on a date and time and to get their particular game completed. This will apply with the first round starting Sunday.

Pairings will be posted at the Antioch Bowl alleys.

Bowling

MONDAY NIGHT OWLS APRIL 18

Sail Inn had high team series, having games of 1027-997-816-2840.

High individual scorer was Fred Popp, who had games of 190-224-186 for an even 600.

With Fred's 600 to help boost the total, Sail Inn beat John's River Inn all three games. R. Olsen had 481 for the losers.

Nick's Shell Service beat Taylor's Shoe Store all three games. M. Griebel had 522 for Nick's and B. Mongan had 497 for Taylor's.

Wally's Channel Inn, with B. Costoff's 521 for high, took all three games from Eckhoff Gas Co. E. Hartnell had 511 for the losers.

Petersen's TV, with C. Moran's 569 for high, took all three games from Lyons-Ryan Ford. R. Klean was high for the Fords with 477.

Chase's "66" Service beat Four Aces all three games. V. Heath's 511 was high for the winners and E. Keroson had 521 for the losers.

Klass Men's Store, with B. Banasack's 596 for high, took two games from Old Orchard Inn. C. Bruns had 549 for Old Orchard.

Go-Kart Club Meet Sunday

Members of the Bi-State Go-Kart club organized last Sunday afternoon will be notified by phone of next Sunday's meeting place and time, the group said this week.

Ray Toft was elected president last Sabbath, Melvin Wohlfel, vice president; Dale Jones, secretary; George Walker, treasurer; C. L. Wertz, Bob Wertz, Vic Grumbeck, Harold C. Petersen, Roger Hal, trustees.

Petersen was chosen as club reporter.

Officers explained that the Bi-State name was given to the organization because many members and prospective members come from

Youth Bowlers Awards Banquet Slated Saturday

Presentation of awards will highlight a banquet of Bantam Bowling league members to be held Saturday noon, April 23, at Joe & Helen's Little Acres on Loon lake near Antioch.

The two grade school kegler leagues ended their 1959-60 season last Saturday at the Antioch Bowl alleys.

Receiving trophies this week Saturday will be:

12 o'clock Bantam league champions—Barbara Casella, John Westhoff, Bob Mozal and Sue Deltrick.

Second place team—Bob Lenczewski, Bob Spittle, Nancy Queen and Caro Gillo.

High game girls—Jo Ann Bolton with 182 and high game boy, Bob Lenczewski with 217.

Two o'clock Bantam league champions—Ricky Ripley, Linda Ripley, John Horton and John Jedele.

Second place team—Fred Witleder, Tim Hucker and Robin Holm.

High game girl—Linda Ripley with 160, and high game boy, Eddy Thayer with 203.

Ladies Bowling Tourney Slated

Notices were posted this week and also mailed out notifying women bowlers of the ladies' handicapped singles tournament to be held at the Antioch Bowl Saturday and Sundays starting May 7 and 8.

Estimated first prize is \$200 plus a trophy, with \$100 for second and \$75 for third. These are based on 300 entries.

Scratch prizes of \$10 for high series and the same amount for high game the first weekend will be awarded. The same awards will apply to the second weekend.

Two hundred seventy ladies entered the tournament last year.

The tourney will take place on the weekends of May 7-8, 14-15, and 21-22 and on Wednesday afternoons, May 11 and 18.

Squads of four will roll every 20 minutes starting at noon each day. The prize list will total \$855, based on 300 entries. If more enter the prize list will be extended. If fewer take part, it will be pro-rated. The tourney will close with the last squad on May 22.

Those wishing to take part are asked to phone reservations to Antioch 1155. The tourney has been sanctioned by the WIBC.

Wisconsin as well as Illinois. Membership will not be confined to just Antioch area people.

Further information may be obtained by contacting Ray's Shell Station at Antioch 55-J, Wohlfel, Antioch 1563; Petersen's TV, Antioch 2279 and Grumbeck at Bristol, Wis., or phone Underhill 2-2970.

Urges Survey Of Fox River To End Floods

WASHINGTON (Special)—Congressman Gerald T. Flynn (D) of the First district of Wisconsin recently appeared before a subcommittee on appropriations and public works of both the senate and house of representatives requesting that a survey, which was authorized a number of years ago of the Fox river in Kenosha and Racine counties, be completed without further delay.

The survey is designed to determine the need for deepening or widening operations on the river and to determine what, if anything, must be done to prevent flooding of the area and to permit normal and ordinary use of the river.

In particular to determine what must be done to protect property along the river from damage due to the river overflowing its banks.

Flynn pointed out that although the study was authorized many years ago it has never been completed in that the work done on the study was in Illinois, rather than in the Kenosha-Racine county area, where the greatest damage is suffered from flooding due to the river overflowing its banks.

Flynn told the committees of the "great damage caused recently to the city of Burlington and the villages of Waterford and Rochester in Racine county and of the damage to the farm lands in Kenosha county."

He urged that the bureau of budget appropriate the balance of the authorized funds to permit the corps of engineers to complete their study in the summer of 1960. He suggested that legislation might be offered in January of 1961 through

Jewel Stores Report Increase in Sales

George L. Clements, president of Jewel Tea Co., Inc., has announced that the current accounting period completes the 16th year in which sales for consecutive four-week periods have exceeded those of prior years.

Retail sales for the four weeks ended March 26, 1960 totaled \$34,592,372, an improvement of \$2,066,046 or 6.00 per cent over the same weeks of 1959.

Accumulated sales for the 12 weeks ended March 26, totaled \$107,939,976, a gain of \$3,623,408 or 3.5 per cent over a year ago for the comparable weeks.

Special Census Set For Friday, April 22

Squads of picked crew leaders and census takers will fan out over this area on the night of April 22 in a special 1960 census drive to count persons who do not have a fixed address.

The census takers will visit missions, all-night theatres, and city parks in this special effort to make sure that all residents of the area are counted.

Persons who do not have a fixed address are included in the population of the place in which they are located by the census takers.

A long, hard winter can do a lot of damage to streets and highways. Watch out for the rough spots. An unnoticed break in the pavement can be dangerous.

IT WAS "CLEAN UP" DAY for sure in Antioch Monday morning and afternoon as Chamber of Commerce president Bette Meyer (center photo), Mayor Murrill Cunningham, Street Supt. Ed Simonsen and Todd Maplethorpe (right photo) and a group of local Girl Scouts and Brownies helped Antioch News editor-photographer Henry Green obtain some publicity pictures. The coming event is the "Paint Up, Clean Up and Fix Up" week in Antioch starting April 23 and running through April 30. Shown in the picture of girls are, from left, Lois Herman, Candy Meyer, Joyce Herman, Linda Herman, Sue Dietrick, Sue Masek, Cindy Meyer and Nicki Nissen. They and other girls will wash these scouthouse windows next week to help the C of C campaign. The girls shown are members of Brownie troops 82 and 24 and of Girl Scout troop 31. Area Scouts, Explorers, Leaders To Attend Banquet At Grayslake

GRAYSLAKE—Invitations have been extended to Boy Scout, Explorer Scouts and Cub Scouts with their leaders to attend the annual dinner meeting of the Northwest district, Boy Scouts of America, Wednesday, April 27.

The event will be held at the United Protestant church in Grayslake with dinner scheduled for 7 p.m.

Advance reservations have been pouring in for the past week and a capacity crowd is expected, chairman George Gaul of Libertyville said.

Special invitations have been extended in the Antioch area to the following men and their wives:

Members at large of the Northwest district committee, John DeJany of route 2, box 281; Robert Gaston of 802 Highland; Coleen Golden of route 1, box 531, and Clarence Jarvis of route 3, box 374, all of Antioch.

Also, these Northwest district commissioner staff members:

Rick Eckert (area district commissioner for Cub Scouting) of 1014 Victoria street, Antioch; James Bruski (neighborhood commissioner for scouting) of route 2, box 57, Antioch.

Harry Jesse (area district commissioner of north section) of route 1, Antioch; Bruski (neighborhood commissioner of certain sections); Charles Beach (neighborhood commissioner in certain section) of Lake Villa.

Institutional representatives and their wives invited include:

James A. Ferrier of pack 80, Boy Scout troop 80 and Explorer Post 80, sponsored by the Grass Lake school PTA; Clarence Jarvis of pack 86 and troop 86, sponsored by the Channel Lake Community club.

George A. Swenson of troop 91, sponsored by American Legion post No. 748, Antioch; Robert Taylor of Pack 92, troop 92 and post 92, sponsored by Moose lodge no. 525, Antioch.

John J. Wells of pack 300, sponsored by St. Peter's church; Harry Boal of pack 84 and troop 84, sponsored by Lindenhurst Men's club; John Miller of pack 88, sponsored by Community Baptist church, Lake Villa; Edward J. Lump of troop 88, sponsored by West Miltmore Community center of Lake Villa.

Chorus to Sing At Salem School

SALEM, Wis.—The WSCS of Salem Methodist church will sponsor a program at 9 p.m. Saturday, April 23, put on by the Snap-on Tools company male chorus to be held in the Salem grade school multi-purpose room.

This will be a full scale choral concert under the direction of Mrs. William Morrow.

Tickets may be purchased from any Salem WSCS member, at the door or from Rev. and Mrs. Carroll Usher.

A meeting of the official board of the Salem church is scheduled for 8 p.m. Wednesday, April 27.

Members of the Salem and Wilmot MYF groups are planning a swim party for Friday, April 22 with Sandra Rasch in charge of reservations. She may be reached by phone at UNDERHILL 2-2890.

Ladies Night Planned By Church Men's Club

"Ladies' Night" will be observed by the Men's club of the Antioch Methodist church Monday evening, May 2.

Dinner will be served starting at 6:30 and following it will be a program on "A Tour of Palestine with the Jenkins." The program will be presented by Rev. Ferrill Jenkins, pastor of the Waukegan First Methodist church.

It will be illustrated with colored slides of his recent tour of Palestine. A letter with a registration card will be mailed to club members.

New Coat Of Paint Helps Sell Your Home, Business

Going to put your house or business up for sale? You'll find a coat of paint can make a world of difference!

Painted nicely your place will not only bring a better price but will find a buyer in less time.

Paint, say real estate experts, can in fact make the difference between a sale and at your terms and no sale at almost any terms!

This is especially true today, when there are more homes on the market than there are customers.

So, why risk losing a sale simply because your place leaves an unpleasant impression?

A few gallons of paint can change a dingy atmosphere into one neat as a pin that fairly invites people to feel at home.

Paint can do more than that; wisely used, it can turn an otherwise ordinary house into something worth remembering — and worth having.

HERE ARE a few tricks the professionals use to pull a house into proportion.

When a room is too long and narrow, paint one end wall dark. This visually draws that one wall toward you, making the room appear more in balance.

The same trick works when ceilings are too high. The rule to remember is that dark objects appear closer. The reverse is equally true, so paint too-low ceilings a very light color. They need not be white — just light.

The same rule tells you that small rooms should also be painted in light colors. Bathrooms, closets, halls and many kitchens are ideal places for today's beiges and pale pinks.

A second rule when using paint is that objects painted the same color tend to blend in with each other. This is camouflage at its simplest and most effective.

Use it to make radiators and exposed pipes disappear, by painting

them the same color as the walls. Use the same trick to make awkward wall recesses or projections disappear.

IF ON THE other hand you'd like to make a real feature out of an interesting alcove, paint it a bright, contrasting color.

Turquoise and orange are the most popular colors today for this purpose, but any bright color will do. Just be certain you don't end up with too many colors in one room.

Experts generally recommend one overall background color, one dominant accent color, one secondary accent color.

Paint camouflage can be used on the outside of your home as well.

If the house looks too high, try painting the bottom foot or two dark brown. This blends it in with the ground.

A high and narrow chimney can be camouflaged by painting it the same color as the house itself. Unattractive windows can be made less apparent by painting the trim house colored.

AND HERE'S A reverse camouflage idea that's becoming popular: try painting your front door a cheerful red or bright, glossy black. This really makes it say "Hello!"

You can take advantage of these ideas even if you have no intention of selling your home, of course. It's even better that way, since you'll be the one who gets the benefits!

Keep in mind that there are no strict rules where color is concerned. Ceilings don't have to be white; walls don't have to be all the same color.

Why not use your imagination to put color and personality into your home?

With paint, remember, you're not stuck if the color scheme doesn't come out quite the way you thought it would — all you have to do is paint right over it!

GAIL PRICE, Miss Paint-Up of 1960, suggests you paint your part of Chicago's skyline to help make your neighborhood a more pleasant place to live. Lasting protection, beauty and improved property values can be yours with a simple coat of paint! Antioch's Chamber of Commerce adds to this that you "Clean-Up, Paint-Up and Fix-Up" in this village and vicinity as well during the week April 23 to 30 proclaimed by Mayor Murrill Cunningham.

Pvt. Wilton Completes Army Electrical Class

FORT LEONARD WOOD, Mo.—Army Pvt. William J. Wilton, 22, son of Mr. and Mrs. Robert J. Wilton of 984 Victoria St., Antioch, Ill., has completed the electrician course at Fort Leonard Wood, Mo.

Wilton entered the army last November and completed basic training at the fort.

He is a 1955 graduate of Antioch Township high school and a 1959 graduate of Bradley university. Before entering the army he was associated with Wilton Electric.

Antioch Hi Chatter

By Miss Marie Jasien

Antioch High School Reporter

Two weeks ago the senior class presented their play, "Dino." It was a huge success and the audience went away shouting its praises.

It seems, though, that Friday night's crowd expected a comedy, as is usually presented. They laughed through the first act at parts that were meant to be serious, and were acted to perfection by the cast members.

This unexplained laughter was explained to the cast by Richard Olsen, the director, as a refusal to accept the truth of life.

After the play Saturday night 25 cast members, and stage crew went to Hank's for a bit of fun. Since Hank's has somehow moved off of Route 41, some of the celebrators got lost, and some even ended up in Niles.

Plans are well under way for the Junior-senior prom, and the theme is going to be "Paradise Isle." With this theme the decorations should be exotic and smack of the South Seas.

Everyone is getting used to coming back to school after a four

day Easter vacation. It's too bad the weather was so bad Saturday night, Sunday and it was pretty cold Monday.

Seniors have their class trip planned and are awaiting the date anxiously. This year, instead of the usual picnic at Starved Rock, the 60 graduates plan to travel by bus to Milwaukee.

There they will board the "Milwaukee Clipper" which will take them 96 miles across Lake Michigan in six hours, and then dock in Muskegon.

After a two hour stay they again will board the clipper and journey back to Milwaukee.

This novel idea was well appreciated by the seniors who are happy to get out of the "Starved Rock" rut. There are movies, T.V. deck games, dancing and food aboard the Clipper, and the cost will be \$8 per person.

The after-prom party is again set for Nippersink Manor, but it seems that few persons are interested in going there again. Last year those who went there enjoyed it, but aren't anxious to try it again.

The year is coming to a close with only six more weeks after this Friday, and it seems to have flown by. Although the weather was warming up like spring it keeps dipping back down, and everyone wonders whether it ever will be warm out for good.

Foreign Policy Is Discussed by H. C. Schadeberg

BURLINGTON—"We are living in an age today quite different from yesterday and decades past," Henry C. Schadeberg, congressional candidate on the Republican ticket from the first district told Janesville ladies this week.

"Our world has shrunk considerably in terms of transportation and communication. The nations of the world are not only interested in what is going on in our world since what affects one nation affects all, but are interested in what is going on in space.

"We live in a community of nations which while next door to one another vary greatly in traditions, language, customs and political philosophies.

"As a member nation of that community we must be ready and willing to cooperate in matters of mutual interest and concern, he added. "Our cooperation, however, must not be interpreted to mean willingness to bargain away the ideal of human dignity or individual rights of men and women of any nation," the Burlington man stated.

"We must be firm and realistic in our approach to problems which involve foreign nations. Compromise and concession on matters of deep conviction and principle are interpreted in many places as weakness," he added.

"In our relationship with other nations we need not apologize for our position in matters in which the interests of this nation are concerned," he said.

William Ludford On South American Tour

BOSTON—William H. Ludford, fireman, USN, son of Mr. and Mrs. William H. Ludford of Route 2, Box 182D, Antioch, Ill., returned to Boston in late March, aboard the heavy cruiser USS Macon after acting as communications ship for President Eisenhower's February South American goodwill tour.

Before departing for South America, the Macon and her crew were engaged in training operations in the Caribbean.

Mayor's Proclamation

Mayor Murrill Cunningham today proclaimed April 28 to April 30 "Clean Up-Paint Up-Fix Up" time in Antioch, and urged every citizen—child and adult, to participate in the program.

Mayor Cunningham pointed out that the aims of the campaign aid everyone: prevention of fire, safeguard health, promotion of safety, building the ideals of good citizenship, and improvement of property.

"In asking the cooperation of every citizen, I remind you that this is the time to take stock of our community appearance. If every one—home-owner, retailer, industrialist, and government—puts forth an all-out effort, our community will retain and increase its reputation as a progressive city—one that is a safe, beautiful, and healthy place in which to live.

"For yourself, your family, and your city, Clean Up-Paint Up-Fix Up," the Mayor concluded.

Goodyear Plant Open House Slated At North Chicago Site on April 23

NORTH CHICAGO — Goodyear Tire & Rubber company announced this week that its \$8 million hose plant here will be open to the general public Saturday, April 23, from 10 a.m. to 5 p.m.

Plant Manager R. G. Cummings, in announcing the open house said, "Goodyear management appreciates the fine hospitality of the Lake county community and is taking this means of showing its appreciation."

"Hose-making is an intricate art combining many skills similar to the arts of pastry cook, weaver and baker with the modern sciences of engineering and chemistry to make products found in almost every phase of homemaking and industry," Cummings stated.

"We sincerely believe that adults and children alike will enjoy touring our plant and will learn something about modern industry from the experience."

THE PUBLIC open house will climax three days of special occasions marking the completion of the first phase of Goodyear's plans to develop North Chicago as its hose-making center.

Thursday, April 21, Goodyear President Russell DeYoung will be host at a preview plant tour and banquet for community leaders.

Next day, April 22, will be reserved for employees who are invited to bring their families through the factory.

The plant, purchased in 1955 from

Deepfreeze division of Motor Products corporation, first began making hose in 1956. During the last four years, machinery and manpower have been increased until today the plant fills the existing buildings.

At the present production level Cummings said, the factory can turn out about 10,000 miles of hose per year.

LAST MONTH it was announced that production since 1956 had totaled 25,000 miles, enough to reach around the world.

In addition to a guided tour, visitors will see exhibits of many commonplace and unusual hose applications. Each visitor will receive a free souvenir and colorful booklet on hose making.

Refreshments will be served. Plant is located on Skokie Highway, Route 41, just north of Route 176 in Shields township. There is ample free parking for visitors in the company parking lot just to the north of the plant.

Church Meet Dated

An all-commission meeting has been scheduled by the Antioch Methodist church for Thursday, April 28, the final session before the fourth quarterly conference.

Discussion of plans for the new church year will be made as well as reports for the coming meeting.

Local Scouts And Leaders To Dine Soon

Antioch and Lake Villa townships Cub Scouts and Explorer Posts are represented on the Northwest district committee which will participate in the district annual dinner meeting to be held Wednesday, April 27.

This event is scheduled at the United Protestant church in Grayslake with dinner to be served starting at 7 p.m.

Election of new officers and members at large for the coming year and installation of newly elected officers by the North Shore area council will be highlights of the evening.

Six men out of the more than 1,000 actively registered as scout leaders in the district will receive the highly coveted "Trailblazer Award."

This award is the highest honor the district can bestow on a volunteer leader for his "outstanding contribution and service toward boys." The award consists of a framed certificate and a scout hand axe.

The latter will include the recipient's name and the year inscribed on its handle.

Another high spot of the evening will be an address "Changing the Life of a Boy" by E. A. "Chief" Schwachel, scout executive of the North Shore area council.

Channel Lakers Help Channel 11

One hundred and seventy-five students of the Channel Lake school near Antioch are participating in an in-school drive for Chicago's educational TV outlet.

Thousands of students in schools throughout the Chicago and area are contributing to in-school drives to raise funds for WTTW-Channel 11, Chicago's educational television station.

Superintendents in these schools have offered their cooperation in the campaign to help Channel 11 meet its 1960-61 budget of \$808,000.

In asking the support of school officials, Dr. John W. Taylor, Executive Director of WTTW-Channel 11, stated that their assistance will help make possible the extension of available educational facilities.

License Revoked
SPRINGFIELD — An Antioch resident has had his driver's license revoked, the drivers license division of the secretary of state's office announced this week.

He is William A. Lewis of 818 Corona street.

ABOUT YOUR OLD TV

The value of a television set is based on the viewing quality of the picture. Like the family car, most folks just

watch it run down and finally consider it worn out. But actually, your old TV set can give better picture today than it did five years ago; or even a few months ago.

Improvements on TV Picture Tubes are coming so fast that the ANTIOCH TV never stocks more than a week or two supply in advance. We want to be certain that we always have the best available.

Phone 821 and let us evaluate your television set on the very next service call. You might be surprised that your present set could have a bright new future.

Club Okays Food Mixer Purchase At Channel Lake School Meeting

By Mrs. Pearl Kapell
Phone Antioch 1837

CHANNEL LAKE—The Channel Lake Community club met at the school house on April 12 to hear Pat Harland, chairman of the hot lunch committee, report on a commercial food mixer she felt would be suitable for the school kitchen. Members voted to purchase the mixer.

Barbara Bjork, representing the den mothers of the Cub Scouts of Pack 86, requested that the club buy four jigsaws for the use of the boys.

The club agreed to obtain the saws and to consider the purchase of other equipment for the scouts at their next meeting.

After the meeting was adjourned pie and coffee were served.

The family of Mrs. Frank Hennig helped her celebrate her birthday with a family dinner on April 10.

Mr. and Mrs. James Maschel and their two daughters and Mr. and Mrs. Daniel Hazeltine and their five Hennigs.

The children (Mrs. Hennig's grandchildren) were treated to a preview of Easter with an Easter egg hunt.

Three new members were welcomed to Boy Scout Troop 86 as tenderfoot scouts at the meeting of the troop Monday night. The three

boys are Ronnie Ryan, Kevin Jarvis and Bill Loeper.

Mike Roepenack achieved Star Scout before the scout board of review at the Grayslake Village hall on April 5.

Mr. and Mrs. Andrew Stewart are back at their home in Channel Lake Bluffs after spending the winter in Florida.

The Edward Rombs, one of the families forced to leave their home by the recent high water on Lake avenue, say they are grateful to all the people who helped them during that time, particularly the Antioch rescue squad.

F.A.E.M. Dan Runyard left Great Lakes on April 13 for San Diego, to serve aboard the U.S.S. Washoe. He will leave San Diego in June bound for Japan.

4-H Photography Clinic Scheduled For Thursday

As an aid to 4-H photography members, farm adviser Ray T. Nicholas has conducted a series of three workshop sessions.

The final session will be held on Thursday, April 21 at 7:30 in the

on April 7-8.

The conference was attended by many teachers from all over Illinois, representing all the elementary grades, high school, school superintendents and board members.

Theme was "Focus on Quality Teaching of All Children." The teachers had an opportunity to hear several well-known educators speak.

Possible improvements in present curriculums of schools, many problems of schools of various sizes were discussed, and teachers were given an opportunity to exchange views.

farm bureau building near Grayslake.

At this session club members will receive instructions and see a demonstration on making contact prints and enlargements.

This year, for the first time, the enrollment in the Lake county 4-H photography project leads that of all other projects.

Presently there are 87 members enrolled in the beginning and advanced photography projects. The photography project is one of the newer projects available to 4-H club members.

Club members have until May 1 to enroll in a photography project. In addition to the photography project, there are many others in which members can enroll. Further information can be obtained from the office of farm adviser Ray T. Nicholas, Grayslake.

Newport And Millburn 4-H Clubs Are Active

Newport Champions 4-H club and the Millburn Hornets 4-H club are among 14 Lake county agricultural clubs who have a high enrollment, Ray Nicholas, county farm adviser, reported.

This indicates the Lake county 4-H clubs will meet their goal of 425 members, compared to 393 members enrolled in agricultural projects last year, he said.

Newport Champions club as of late last month had 18 members and the Millburn Hornets had 10.

Any youth in Lake county who will be 10 years of age or older by July 1 of this year is eligible to join one of the 14 agricultural clubs. Names and addresses of leaders may be obtained from Nicholas at Grayslake.

Rally Slated In Wilmot by 'Home' Clubs

WILMOT, Wis. — The annual home demonstration rally of the Kenosha county home demonstration clubs will be held Thursday, April 21, at the Holy Name school in Wilmot. Dinner will be served at 6:45 p.m.

The program will commence at 8:15 p.m.

The invocation will be given by Rev. Harold H. Herbst; group singing will be led by Mrs. Leverett Leet, Somers.

A reading will be given by Mrs. William Bullamore, Somers; musical novelty by the Randall Rustlers 4-H club.

Songs, "Sitting in the Back Seat" and "Dark Town Strutters Ball," will be presented by Linda Oetting, Shirley Gandt, Carol Rausch, Doris Rasch, Linda Rasch, Diane Stoppa, June Cates, Russell Tilton and Jeff Ohrwall.

Accompanist will be Sandra Rasch. Director will be Wayne Tilton, general leader of the club.

Mrs. Joseph White of Kenosha will paint a pastel mural entitled, "The Homemakers Creed."

Mrs. George Bovee of Bassett is to act as program chairman.

Members of the rally planning committee are Mrs. Bovee, chairman; Mrs. Roscoe Torrey, Bristol; Mrs. Oscar Anderson, Paris; Mrs. Rodelle Schenning, Wheatland, and Mrs. John Hilbert, Salem.

Fire Station Addition Plans Ready For Board

Plans for an addition to the Antioch fire station are about ready for presentation to the May meeting of the village board.

Rough sketches for the structure to be erected in what is now the driveway toward Orchard street call for a one-story building about 30 feet deep and 40 feet wide.

Fire district officials pointed out that while not such a large building is needed immediately, plans call for future purchase of more fire trucks and room will be needed for them eventually.

There still will be some room between the doors to the new addition and Orchard street. The new part will almost double the size of the present fire station.

The rescue squad quarters facing on Broadway would not be affected. May meeting of the village board is scheduled for Tuesday evening, May 3, in the village hall.

Trees Planted At Local Farm

A tree planting demonstration was held Tuesday at the Kenneth Hellstern farm, located on Loon Lake road, about one-fourth mile east of routes 21 and 83.

Kenneth Hellstern, who is a former 4-H club member, planted 3000 white pine and 3000 Red Pine seedlings purchased from the state department of forestry.

Farm Adviser Ray T. Nicholas arranged the demonstration in cooperation with Extension Forester, T. N. Curtin. Trees were planted with a machine.

All interested parties were invited to visit the demonstration and hear the discussion.

Two discussion periods were held, one at 10:30 a.m. and another at 1:30 p.m. During the discussion periods Curtin discussed the tree planting program and answered questions.
